

Alphabet Trace

— Uppercase

Trace each uppercase letter.
Draw something that starts with it.

J Draw it!

A purple-bordered box containing a dashed uppercase letter 'J' with arrows indicating the stroke direction: down, then a curve to the left, then up. To the right of the letter is a blank white box for drawing.

K Draw it!

A teal-bordered box containing a dashed uppercase letter 'K' with arrows indicating the stroke direction: down, then a diagonal stroke to the right, then a diagonal stroke to the left. To the right of the letter is a blank white box for drawing.

L Draw it!

A yellow-bordered box containing a dashed uppercase letter 'L' with arrows indicating the stroke direction: down, then a horizontal stroke to the right. To the right of the letter is a blank white box for drawing.

M Draw it!

A red-bordered box containing a dashed uppercase letter 'M' with arrows indicating the stroke direction: down, then a diagonal stroke to the right, then a diagonal stroke to the left, then a diagonal stroke to the right, then a diagonal stroke to the left. To the right of the letter is a blank white box for drawing.

N Draw it!

An orange-bordered box containing a dashed uppercase letter 'N' with arrows indicating the stroke direction: down, then a diagonal stroke to the right, then a diagonal stroke to the left. To the right of the letter is a blank white box for drawing.

O Draw it!

A green-bordered box containing a dashed uppercase letter 'O' with arrows indicating the stroke direction: a counter-clockwise circle. To the right of the letter is a blank white box for drawing.

P Draw it!

A blue-bordered box containing a dashed uppercase letter 'P' with arrows indicating the stroke direction: down, then a horizontal stroke to the left, then a vertical stroke to the right. To the right of the letter is a blank white box for drawing.

Q Draw it!

A pink-bordered box containing a dashed uppercase letter 'Q' with arrows indicating the stroke direction: a counter-clockwise circle, then a diagonal stroke to the right. To the right of the letter is a blank white box for drawing.

R Draw it!

A brown-bordered box containing a dashed uppercase letter 'R' with arrows indicating the stroke direction: down, then a horizontal stroke to the left, then a diagonal stroke to the right. To the right of the letter is a blank white box for drawing.
